

## COUNSELING

You are welcome to the Student chaplain's office if you need someone who listens to you - your thoughts, worries or maybe your dreams.

Living far from home can often be difficult . It can be a heavy burden to be away from family and friends when things aren't going well.

Sometimes one simply needs help to understand practicalities of daily life that are different from home. If you need to talk to someone or need help, you are welcome to contact us. All visits are free of charge and confidential.

### Finding other Churches/Religious bodies:

Even if our services are ecumenical and open for everyone we recognize that different people have different spiritual needs. We can help you to contact a local church or religious body other than the church of Sweden. The Student chaplaincy have knowledge of and contact with several denominations and representatives from other religions and can help you find a spiritual home away from home. We also collaborate with the Student Health Office.

HOW CAN WE  
HELP YOU?

## ECUMENICAL HOLY COMMUNION SERVICE IN ENGLISH

**Every Sunday at 5 pm in Lund Cathedral**

Here, people from countries all over the world and from different Christian traditions gather to worship together. What unites us is our belief in Jesus Christ.

The worship services are open for all, and our order of worship is easy to follow. After the worship service we gather for coffee.

Here it is possible to meet and talk with people from around the world who for various reasons are living in Lund – temporarily or on a permanent basis. There are usually a few native Swedes on hand who can help to explain hard-to-understand local traditions.

## TAIZÉ IN ENGLISH

**First Thursday of every month  
6.30 pm in the Cathedral Crypt**

Our order of Service is inspired by Taizé. The Taizé Community is an ecumenical monastic order in Taizé, Saône-et-Loire, Burgundy, France. It is composed of about 100 brothers who come from Protestant and Catholic traditions. The brothers come from about 30 countries across the world.

The monastic order has a strong devotion to peace and justice through prayer and meditation. It was founded in 1940 by Brother Roger Schutz, a Protestant.

The community has become one of the world's most important sites of Christian pilgrimage. Over 100,000 young people from around the world make pilgrimages to Taizé each year for prayer, Bible study, sharing, and communal work. Through the community's ecumenical outlook, they are encouraged to live in the spirit of kindness, simplicity and reconciliation.

The songs of Taizé are known throughout the world. They are usually based on one simple phrase, sung repeatedly. The phrase enters the conscious mind and gradually becomes an interior mantra. These songs are sung all over the world and have been translated into many languages. Introduction for beginners at 6 pm

## INTERESTED IN MOVIES?

**Free movies and Filmtalk**

In collaboration with the organization Folkets bio, which runs the Art house cinema Kino, the Student chaplaincy have free showings of interesting films a couple of times every term. You will find information about which movies we show and when they are shown by following us on Facebook. We choose movies that have gotten good reviews and which deals with interesting subjects. Afterwards there is a chance to sit down with your friends over a cup of coffee or tea and talk about what you have seen.

If you are really interested in talking about movies you can join our group "Filmtalk". Number of participants is limited to 8 persons. Together we watch different movies (you'll pay a heavily reduced price). Afterwards we sit down to discuss what we have seen by answering three questions. 1. *How did the movie make you feel?* 2. *Choose a character in the film- why him or her?* 3. *Choose a scene in the film – why did you choose this scene?* The inspiration for this group comes from a Swedish concept called "Talk film – talk life", where movies are used as a help to discuss existential questions. You don't have to believe in God to participate, but need to be interested in discussions about life and the meaning of it all. Contact Jan Kjellström for more information.
