

Internship Spotify Nordics

As a member of Spotify's Nordic squad, you'll be tasked with supporting the team across Sweden, Norway, Denmark and Finland.

The role is varied and will require a range of skill sets. We consider ourselves to be a focused, hard-working, friendly and supportive team. The issues we tackle on a daily basis are wide-ranging, frequently complex and require fast-thinking plus a strong understanding of the music and technology sectors.

Spotify works very closely to labels and artist management, and most consumer related campaigns are music related; album releases, festivals, local music award shows, media collaborations and live session in the office.

The tasks would include:

- Supporting the Nordic team with activities
- Project management of campaigns
- Coordinate music related events
- Work with social media channels
- Analyze and report results of marketing and PR campaigns

We're looking for one interns with a passion for music; that are ready to get involved and support us with some of the biggest music campaigns in the region. You'll need to roll up your sleeves and get the work done. You also need to be great at English.

Oh, and we can promise that it will be a lot of fun!
